Approved Activity

A Message from our President:

The Ohio Ophthalmological Society (OOS) Annual Meeting is going virtual! As our largest in-person gathering event of the year, it wasn't an easy decision, but with so much uncertainty due to COVID-19, we are confident this is the right decision.

We have an agenda that features the latest innovations in ophthalmology and nationally and internationally recognized speakers. The annual meeting will be a combination of on-demand 'homework' sessions for you to listen and learn at your convenience, and a live webinar interactive format with chat features for you to share, connect and discuss with each other; Q&A with the speakers; and instant polls to assess learning and for MOC requirements. You'll get the exceptional education that you've come to expect from the OOS annual meeting experience but now get the added benefit of accessing this education from the comfort and convenience of your home or office – at no charge for OOS members!

Here are instructions for registration and more details about participation. Thank you for your interest, and for your support of organized medicine for Ohio ophthalmologists. We look forward to "seeing" you online Feb. 27!

Stay safe and well,

Kristopher J. Kelly, MD
President, OOS

**STEP
1**

REGISTER TO PARTICIPATE:

- **GET THE DETAILS
& REGISTER ONLINE**

at OhioEye.org
or call (614) 527-6799

*Register before Feb. 1 to allow you

BEFORE FEBRUARY 27TH

➔ ON-DEMAND HOMEWORK SESSIONS:

• VIEW THE ON-DEMAND SPEAKER PRESENTATIONS

On Feb. 1, you will receive a confirmation email with participation instructions and links to the speaker sessions and virtual exhibits. For your homework, there will be on-demand speaker presentations that you should view in advance to prepare you to fully participate in the live webinar on Feb. 27. Below are the on-demand presentations.

Please Note: At the bottom of the online speaker video list, there will be a **"Complete Event Attendance" button**—where you'll need to confirm the presentations you completed. **This will be your 'attendance form' required for CME credit.**

AFTER FEBRUARY 27TH

CONTINUING PROFESSIONAL DEVELOPMENT

• CME CERTIFICATES

Based on your completion of the on-demand education session completion and participation in the Feb. 27, you can earn up to **5.5 AMA PRA Category 1™ credits**. Your CME certificate will be emailed to you within a week of the webinar, along with a satisfaction survey. The number of credits you are awarded is based on your participation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Ohio State Medical Association (OSMA) and the Ohio Ophthalmological Society.

The Ohio State Medical Association (OSMA) is accredited by the ACCME to provide continuing medical education for physicians. The OSMA designates this other activity (blended live and enduring material) for a maximum of 6.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.*

**When claiming credit for this activity, you may claim up to 3.0 credits if you complete all of the on-demand sessions plus up to 2.5 credits for the time spent during the Feb. 27 webinar, for a total of up to 5.5 credits.*

• AMERICAN BOARD OF OPHTHALMOLOGY (ABO) MAINTENANCE OF CERTIFICATION (MOC)

Successful completion of this CME activity, which includes completion of the on-demand education and participation in the live Feb. 27 webinar, enables the participant to earn up to 5.5 MOC points in the American Board of Ophthalmology (ABO) Maintenance of Certification (MOC) program. The Ohio State Medical Association, as the CME activity provider, will submit participant completion information to ACCME for the purpose of granting ABO MOC credit.

If you are interested in earning MOC credit, please provide your ABO 5-digit number during registration.
