

Updates in Retinal Disease Care

Keeping an Eye on Emerging Anti-VEGF Therapies & Improved Outcomes

Ohio Ophthalmological Society cordially invites you to a CME-certified, ABO MOC-eligible live webinar entitled, **Updates in Retinal Disease Care: Keeping an Eye on Emerging Anti-VEGF Therapies & Improved Outcomes**, held live online! This activity will deliver much-needed, up-to-date information on evidence-based strategies for dosing available anti-VEGF therapies and for integrating newly approved therapies into practice; with reviews of current clinical data from emerging retinal disease therapies.

Date: Wednesday, November 9, 2022

Time: 7:00 PM – 8:00 PM ET

Location: Live Online!

For full accreditation information and to register, visit:
